

Safety

Step Ladder

- Unilaterally ascendable aluminium step ladder with high safety top rail and tool tray
- High foothold due to large aluminium platform (with integrated non-slip inserts)
- Sturdy ascending and supporting rails made of rectangular aluminium tube
- Hinges made of high-strength age-resistant plastic in premium quality
- Large tool tray for tools and integrated bucket hook
- Profiled, 80 mm deep steps for safe ascent and comfortable foothold
- Multiple riveted, robust step/rail joints
- Protective caps on steps
- Non-slip foot caps ensure a safe stand
