

SilentMaster 110-8-6 WOF

A311001

Product specification sheet

Technical Data	A311001
Air displacement	105 l/min
Max. free air delivery	68 l/min
Max. pressure	8 bar
Cylinder/Stage	1/1
Tank capacity	6 l
Voltage	230 V/50 Hz
Motor output	0,75 kW
Drive	1.450 min ⁻¹
Noise level	85 db(A)
Dimenions (WxDxH)	430 x 210 x 430 mm
Weight	18 kg

Product description

Fact Sheet

- Soundproof, portable, direct driven and oil free piston compressor
- For applications up to 8 bar
- This high quality performing air compressor for private and professional use
- Equipped with pressure reducer and gauges for measuring tank and outlet pressure
- With extra lifting handle on the tank
- Applications: Using smaller sized staple and nail guns, blow out guns, cartridge guns, grease and rivet guns

SilentMaster 110-8-6 WOF A311001

Product specification sheet

Silent run and perfect cooling due to approved direct driven oil free aggregate and ideal cooling air flow

Convenient transportation is provided by optimized center of gravity and carrying handle perfectly fitted

Precise working due to filter pressure reducer for controlling the air pressure perfectly

Working comfortably with perfect overview - two pressure gauges for measuring tank and outlet pressure

Robust

Sturdy cover protects aggregate from bumps and knocks

Simple to handle - easily accessible drain valve provides manual drainage of the condensate

Long service life thanks to the 10 years anti-corrosion warranty on the compressed air tank

Solid stand and comfort transportation due to large rubber feet

Further information

Operates fully automatically

On-off switch

Scope of delivery

Instruction manual

Warranty

12 months for industrial use
24 months for private (non-commercial) use
36 months when registered online
