

Dry Vacuum Cleaners

Max and Max CD

The Kerstar Max and Kerstar Max CD vacuum cleaners are fully injection moulded and are equipped with a detachable cover to reveal a handy onboard tool storage facility to locate the accessories when not in use.

Both models are equipped with Kerstar's own multistage Direct Airflow motor, double filtration, a full 32mm accessory kit and 10 meter cable with moulded on plug. The Kerstar Max CD has the extra advantage of a manually operated cable rewind system.

Due to their light weight and compact design both of these machines are suitable both for domestic use and the heaviest industrial use also.

FEATURES

- Tool storage facility conveniently situated between rear wheels. Cover provided when not in use.
