## ANSMANN HD280RS

- High-quality, multifunctional headlamp made of robust ABS plastic
- 3W-COB-LED provides the right light - for a variety of applications
- With sensor switch, so that in sensor mode the lamp can be switched on and off by hand gesture control
- Tilt angle of the lamp head can be individually adjusted by up to 45°
- Super-light with flexible, adjustable headband, therefore comfortable to wear (only 110g including batteries)
- Universal headband
- Degree of protection IP65 (dust and splash-proof)
- Powerful performance: A maximum of 280 lumens provides a light range of up to 21 metres!
- Integrated Li-Ion battery pack with 3.7V and 1500mAh provides the necessary energy

## INFORMATION
